### K-T Heavy Duty Victor® Style Torch Kit

When people say leave it to the professional, they are talking about you. If disassembling train cars and heavy equipment is a common occurrence in your job, you don't turn to light duty or medium duty, you need HEAVY DUTY. Turn to the K-T Heavy Duty Victor® Style Torch Kit. Welds up to 4 inches and can cut through 8 inches of metal with proper tips. Do not settle for less.
